| Purpose                                      | Measure   | Function   | Schedule   |
|--|---|--|--|
| School Information<br>Data-base              | School Profile/Contact<br>Form                                      | Provides a data-base for communication, statewide planning and support.  | Updated in <i>September</i> and as needed.<br>Contact Amanda Petersen at<br>amanda.petersen@wilder.org with questions.   |
| Progress Monitoring-<br>Team level           | Team Implementation<br>Checklist <b>(TIC)</b>                       | A self-assessment tool serves as a multi-level guide for creating<br>School-Wide PBIS Action Plans and evaluating the status of<br>implementation activities.  | Completed annually   |
|  | Tiered Fidelity<br>Inventory<br><b>(TFI)</b>                        | The TFI gives teams a single, efficient, valid, reliable survey to guide<br>implementation and sustained use of SWPBIS. Using the TFI, teams<br>measure the extent to which school personnel apply the core features<br>of SWPBIS at all three tiers | <i>Three times per year</i> -<br>External facilitator recommended<br>Annual walkthrough recommended  |
| Progress Monitoring-<br>Staff/Building level | Self-Assessment<br>Survey <b>(SAS)</b>                              | Used by school staff for initial and annual assessment of effective behavior support systems in their school and to guide Action Planning.   | Completed annually   |
| Student Outcomes                             | Office Discipline<br>Referrals <b>(ODR)</b><br>(SWIS™/Core Reports) | Office discipline referrals (ODR) provide data for monthly team<br>reviews and decision making by teachers, administrators, and other<br>staff to guide prevention efforts and Action Planning.  | <i>Monthly</i> , based on school calendar  |
| Fidelity of<br>Implementation                | School-wide<br>Evaluation Tool <b>(SET)</b>                         | External evaluation to assess the critical features of school-wide effective behavior support across each academic school year.  | Completed annually to provide an external<br>evaluation perspective on fidelity of<br>implementation (benchmark 80%)   |
|  | Benchmarks of<br>Quality<br><b>(BoQ)</b>                            | Benchmarks of Quality (BoQ) are used by teams to identify areas of success, areas for improvement for the sustained implementation of SW-PBIS, and by the MN PBIS Project to identify model PBIS schools.  | Completed <i>annually</i> after completion of training schedule (benchmark 70%)  |
|  | Tiered Fidelity<br>Inventory<br><b>(TFI)</b>                        | The TFI gives teams a single, efficient, valid, reliable survey to guide<br>implementation and sustained use of SWPBIS. Using the TFI, teams<br>measure the extent to which school personnel apply the core features<br>of SWPBIS at all three tiers | Once fidelity on a tier is met (70%), the team<br>may choose to shift from three times per<br>year to annually for the purpose of<br>evaluating sustained implementation |
